One of our most cherished lamp series and it's no wonder why – it has a timeless design that fits right in. The environmental- friendly dyed beige lampshade with classic pattern, distributes a soft and comfortable light, not glaring; lamp body made of high quality copper material, with vivid color, elegant and chic; streamlined copper lamp arm, clear carving with beautiful curve. A lamp that stands out and is just as attractive whether it is switched on or off. Elegant design with fine details like the embossed pattern in the stoneware. Like a piece of jewelry it graces the room.
